

LINCREST SCHOOL
Behavioral Expectations and Discipline Policy
Before & After School Program

In order that all children participating in the Lincrest School Before/After School Program have a rewarding experience, certain conduct and behavior will be prohibited as set forth in the YCUSD Student Discipline Policy Handbook. This handbook can be accessed at http://www.ycusd.k12.ca.us/contact/district_administration/educational_services_division/student_welfare_and_attendance/. Students who engage in conduct prohibited by this policy during Before/After School Program will be subject to discipline up to and including dismissal from the program.

Discipline Policy:

Lincrest Before/After School Program will enforce the discipline policy when the prohibited conduct and behavior are not met. A verbal warning will be given and an explanation to the child as to why his/her behavior is unacceptable and what the consequences will be if behavior is repeated. If the negative behavior continues the following steps will be utilized:

- 1) Written warning notice
- 2.) Loss of privileges (outside play, games, etc.) with **Referral #1** and verbal communication between parent and program director.
- 3.). Loss of privileges (outside play, games, etc.) **Referral #2** and written notification from program director to the parent outlining the problem and corrective measures taken.
- 4.) **Referral #3** and dismissal from the program.

Administration has the right to make a change either increasing or decreasing the consequence, based on extenuating circumstances.

I have read and understand that my child(ren) must abide by the YUCSD rules and regulations during the Before & After School Program and agree that my child shall be responsible for the behavior and consequences included in the policy while at the After School Program.

I also understand that I have the right to discuss any discipline rendered pursuant to this policy with the After School / Administration staff.

Student Name: _____ Student Signature: _____ Date: _____

Parent Name: _____ Parent Signature: _____ Date: _____

* If a student is suspended from school for any reason, he/she may not attend the Before/After School Program for the length of the suspension.
